PLEASE COMPLETE THE DAILY SURVEY BELOW

Please rate your current pain on the scale below.

How would you evaluate your overall health. Would you say you are:

- In good physical health. (No significant illnesses or disabilities. Only routine medical care such as annual checkups required.)
- Mildly physically impaired. (You have only minor illnesses and/or disabilities which might benefit from medical treatment or corrective measures.)
- Moderately physically impaired. (You have one or more diseases or disabilities which are either painful or which require substantial medical treatment.)
- Severely physically impaired. (You have one or more illnesses or disabilities which are either severely painful or life threatening, or which require extensive medical treatment.)
- Totally physically impaired. (Confined to bed and requiring full-time medical assistance or nursing care to maintain vital bodily functions.)

Please rate your current well being on the scale below.

Please notate below any variables that you may believe have caused any changes in your pain scale rating from above.
